Subitem-A: (O-90-101) INTRODUCED, TO BE ADOPTED JANUARY 8, 1990

Introduction of an Ordinance amending Chapter VIII, Article 4 of the San Diego Municipal Code by amending Section 84.03 relating to Vehicles on Private Property.

Subitem-B: (O-90-102) INTRODUCED, TO BE ADOPTED JANUARY

8, 1990

Introduction of an Ordinance amending Chapter 1, Article 3, Division 3 of the San Diego Municipal Code by adding Sections 13.0340, 13.0341, 13.0342, 13.0343, 13.0344, 13.0345, 13.0346, 13.0347 and 13.0348, relating to the Issuance of Administrative Citations for Minor Violations of the Code.

Subitem-C: (O-90-103) INTRODUCED, TO BE ADOPTED JANUARY 8, 1990

Introduction of an Ordinance amending Chapter I of the San Diego Municipal Code by adding Article 1, Division 1, renumbering and retitling Sections 11.01 and 11.08, and renumbering Sections 11.02 and 11.05; adding Division 2, renumbering and retitling Section 11.14 and renumbering Sections 11.03, 11.04, 11.06, 11.07 and 11.11; adding Division 3 and renumbering Section 11.15; adding Article 2, Division 1 and renumbering Sections 11.09, 11.10 and 11.18; adding Article 3, Division 1 and renumbering Sections 11.12 and 11.13; adding Division 2 and renumbering Sections 11.12.1 and 11.17; adding Division 3 and renumbering and amending Section 11.16; and amending Sections 29.0115, 33.0105(b), 44.0300(b), 62.0402.1, 63.08, 63.17.15, 63.17.16(B), 84.1609, 84.1709, 86.2014(a), 86.2014(d), 95.0110C, 98.0106(b), 101.0212D, 101.0304B, 101.0406C.12, 101.0462A, 101.0309B, 102.0700, 44.0116, 55.0311.0412(d)(1), 55.0311.0412(d)(14)(h), 95.0127(a), 55.0311.0412(d)(2), 55.0311.0412(d)(12) and 95.0127(d) to reflect the renumbering.

COMMITTEE ACTION: Initiated and reviewed by TLU on 11/13/89.

Recommendation to approve the proposed Administrative Citations Ordinance with the program to be reviewed in a year and application Citywide. Districts 2, 4, 5, and 8 voted yea. District 1 not present.

CITY MANAGER SUPPORTING INFORMATION: On September 11, 1989, the Transportation and Land Use Committee approved the concept of an administrative citation program for minor violations of the Municipal Code. On November 13, 1989, the Committee approved an implementation plan provided by the Planning Department and the related enabling legislation. The enabling legislation (proposed Chapter I, Article 3, Division 3, Section 13.0350) must now be adopted by Council. Concurrently, with the adoption of this new section, the City Attorney has restructured and renumbered all of Chapter I to make it consistent with other

chapters and compatible with the Legis System. Other than the new section, there is no change in language or substance in this Chapter.

In addition to these changes in Chapter I, it is proposed that Chapter XIII, Article 4, Section 84.03 be amended to allow zoning inspectors to issue parking citations for illegal parking on private property, even if the owner permits such parking. This will provide an alternative to administrative citations for the enforcement of parking regulations on private property. The Zoning Investigations Unit of Planning's Neighborhood Service Division will be testing these new tools in 1990, primarily in relation to certain sign code and parking violations. If effective, use of administrative citations will be expanded to other types of violations.

NOTE: See Item 116 on today's docket for a companion Item.

CONSENT MOTION BY BERNHARDT TO ADOPT. Second by Pratt. Passed by the following vote: Wolfsheimer-yea, Roberts-yea, Hartley-yea, Pratt-yea, Bernhardt-yea, Henderson-yea, McCarty-yea, Filner-yea, Mayor O'Connor-not present.

ITEM-101: TRAILED TO TUESDAY, DECEMBER 12, 1989, AT 2:00 P.M.

Two actions relative to the Improvement of Project First Class Alley and Sewer Main Replacement - Contract No. 5 (1911 Improvement Act):

(Southeast San Diego Community Area. District-4.)

Subitem-A: (R-90-819)

Awarding a contract to Engicon Corporation for the Improvement of Project First Class Alley Sewer Main Replacement - Contract No. 5.

Subitem-B: (R-90-820)

Authorizing the expenditure of an amount not to exceed \$80,646.33 from Fund 18517, Dept. 5988, Org. 8814; \$184,620.33 from Fund 18518, Dept. 5613, Org. 1304; \$13,760.17 from CIP-58-007, Fund 30244; and \$319,110.27 from CIP-44-001, Sewer Revenue Fund 41506, for the purpose of providing funds for the Improvement of Project First Class Alley and Sewer Main Replacement - Contract No. 5 and related costs.

CITY MANAGER SUPPORTING INFORMATION: The lowest of the two bids received was from Engicon Corporation, in the amount of \$655,000 which is two percent lower than the estimate of \$663,376. The project improvements consist of grading and

paving eight alleys. Some of the alleys will have the existing sewer mains replaced because of their deteriorated condition and inadequate capacity. Alley improvements are being financed under the CDBG/Assessment District cost sharing program. Sewer replacement costs are funded by the City annual allocation for that purpose. While the overall low bid for the eight alleys as a group was only two percent below the estimate, bid analysis indicates that the costs for Alley Blocks 1 and 3, and Block C exceed the estimate by about 17 percent. The owners of property in Alley Blocks 1 and 3, and Block C have been informed of the 17 percent cost increase and today's proposed award of contract in accordance with Council Policy 800-3. The cost increase for the remaining six alleys is less than 10 percent.

McCarty-yea, Filner-yea, Mayor O'Connor-not present.

* ITEM-104: (R-90-791 Corr.Copy) ADOPTED AS RESOLUTION R-274836

Authorizing the execution of an amendment to the
Subdivision Improvement Agreement for Sunburst Scripps Unit
2, on file in the office of the City Clerk as Document No.
RR-272245, to provide for the substitution of BPKC/GADCo I

19891211

for Sunburst Homes Company, as subdivider; accepting the
rider issued by Insurance Company of the West, in the
amount of \$1,333,390 to substitute BPKC/GADCo I for
Sunburst Homes Company as principal on the surety for the
required improvements in the subdivision.

(Located northeasterly of I-15 and Pomerado Road. Scripps
Miramar Ranch Community Area. District-5.)

CITY MANAGER SUPPORTING INFORMATION: On October 31, 1988 the
City entered into an agreement with Sunburst Homes Company for
the construction of public improvements for Sunburst Scripps
Unit 2. The agreement expires on October 31, 1990. The
property is now owned by BPKC/GADCo I, a California General
Partnership. The new owner has signed an amended agreement to
assume all of the obligations of the original subdivider and
complete the required work. The new subdivider has provided a
rider to the existing performance bond for the same amount as
the original bond, changing the principal on the bond to
BPKC/GADCo I, a California General Partnership.

CONSENT MOTION BY BERNHARDT TO ADOPT. Second by Pratt. Passed
by the following vote: Wolfsheimer-yea, Roberts-yea,
Hartley-yea, Pratt-yea, Bernhardt-yea, Henderson-yea,
McCarty-yea, Filner-yea, Mayor O'Connor-not present.

ITEM-105: (R-90-817) CONTINUED TO JANUARY 16, 1990
Authorizing the execution of a deed conveying to Whispering
Palms Community Service District an easement for sewer
pipelines, mains, manholes, sewer lateral pipelines and

right-of-way, in a portion of Lot 2 of Fairbanks Country Club Unit No. 1, Map-10730.

(Fairbanks Ranch Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: The Whispering Palms Community Service District is now converting its area from septic tank systems to municipal sewer hook-up and requires a sewer easement over City-owned land in order to connect to the Metropolitan Sewer System. The portion of the Fairbanks Ranch Country Club sought is an easement 20 feet wide and 247.54 feet

long containing 4,950 square feet. This portion of the Country Club is actually roadside setback, moderately sloping, and is considered excess property which doesn't contribute to its highest and best use of the adjacent property as developed. The Fairbanks Ranch Golf Course, which is the lessee of this property, is very much in favor of this action as it will alleviate a leaching problem that now effects the golf course operations and maintenance.

MOTION BY BERNHARDT TO CONTINUE TO JANUARY 16, 1990, AT DEPUTY MAYOR WOLFSHEIMER'S REQUEST, FOR ADDITIONAL INFORMATION. Second by Pratt. Passed by the following vote: Wolfsheimer-yea, Roberts-yea, Hartley-yea, Pratt-yea, Bernhardt-yea, Henderson-yea, McCarty-yea, Filner-yea, Mayor O'Connor-not present.

* ITEM-106: (R-90-815) ADOPTED AS RESOLUTION R-274837

Approving the acceptance by the City Manager of a grant deed of Genstar Development, Inc., granting to the City Parcel A of Carmel Penasquitos Plaza, Map-7202; dedicating said land as and for a public street, and naming the same North City Parkway.

(Penasquitos Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: The North City Parkway has been created as an interim right-of-way between Rancho Penasquitos Boulevard and Interstate 15 until State improvements are constructed for SR-56. This 9.69 acres has been donated by Genstar Development, Inc. who will receive deferred FBA reimbursements for construction of the interim facility (CIP-52-419.0).

* ITEM-108: (R-90-787) ADOPTED AS RESOLUTION R-274839

Vacating the City's interest in an unneeded slope easement affecting Lots 8, 9 and 10 of Rancho Bernardo Technology Park pursuant to Section 8300 et seq. of the Streets and Highways Code.

(Rancho Bernardo Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: Application has been received by the Engineering & Development Department for the vacation of a slope easement that encumbers property on the west side of Bernardo Center Drive adjoining the technology park in Rancho Bernardo. Slope rights were acquired by the City of San Diego at no cost in 1978 on the Subdivision Map of Bernardo Industrial Park West. Bernardo Center Drive has since been

fully improved, eliminating the slopes and the need for continued maintenance by City Forces. The easement is therefore an unnecessary encumbrance upon the property. It is the

recommendation of both the Engineering & Development and Property Departments that the easement be abandoned by adoption of a Council Resolution.

ITEM-113: (R-90-831) CONTINUED TO JANUARY 22, 1990

Changing the name of Scripps Ranch Boulevard, located west
of Carmel Canyon Road, to Scripps Ranch Court; declaring
that the signage shall indicate both the old street name
and the new street name for a period of one year, for the

convenience of the general public; authorizing the installation and removal of the necessary signs and markings.

(Scripps Miramar Ranch Community Area. District-5.)

CITY MANAGER SUPPORTING INFORMATION: The proposed street name change has been requested to eliminate an awkward, confusing and generally deficient situation which arises when the same street name is used for three of four legs at an intersection. This unfavorable situation was created when Scripps Ranch Boulevard was redesigned and realigned, in 1983, in a northerly direction rather than the original westerly direction. Presently, most of the westerly segment of Scripps Ranch Boulevard west of Carroll Canyon Road serves several properties of which two would be likely to be affected. The westerly segment of Scripps Ranch Boulevard to be renamed deadends 500 feet west of Carroll Canyon Road, adjacent to undeveloped property. Staff has sent letters to the affected property owners requesting their support of the name change. Of the two affected properties adjacent to the right of way, only the southerly owner has returned a response, which was favorable. The property owner on the north side of Scripps Ranch Boulevard has not responded. However, there may be no adverse affect to this property as a result of the name change,

since this property has access to the northerly continuation of Scripps Ranch Boulevard. The Planning Commission recommended approval on October 5, 1989, by a 5-0 vote. Although 100 percent support for the street name change has not been obtained, the situation that exists must be corrected to eliminate the awkwardness and confusion. Furthermore, the name change should occur before the undeveloped property to the west is developed. If the westerly segment is extended and the name Scripps Ranch Boulevard is continued, a more detrimental affect may arise with regards to mail delivery, delayed/misrouted emergency services, and additional confusion. Therefore, staff which includes comments from the Police Department, Fire Department, Building Inspection Department, and Engineering and Development Department recommends approval of the subject name change.

* ITEM-114: (R-90-827) ADOPTED AS RESOLUTION R-274845

Authorizing the City Manager to create the Scripps Ranch Branch Library Fund with proceeds to be used to purchase furniture, fixtures, equipment, supplies, and library materials; authorizing the City Auditor and Comptroller to establish a trust fund account for the purpose of handling the accounting for the Scripps Ranch Branch Library Fund. (Scripps Ranch Community Area. District-5.)

CITY MANAGER SUPPORTING INFORMATION: A new branch library is scheduled to be constructed in the Scripps Ranch area. The Friends of the Scripps Ranch Library have made a commitment to initiate a fundraising campaign to help enhance the new library. This request will establish a trust account in the name of the Scripps Ranch Branch Library Fund to facilitate the process of receiving private gifts. The proceeds of the fund, plus all the

earned interest, will be used to purchase furniture, fixtures, equipment, supplies, and library materials.

ITEM-117: (R-90-868) CONTINUED TO JANUARY 22, 1990

Authorizing the execution of an agreement with Belmont Park Associates for construction of water and sewer improvements in the Mission Beach District, together with any modifications or amendments which do not increase the project scope or cost and which the City Manager shall deem necessary in order to carry out the purpose and intent of this project and agreement; authorizing the expenditure of an amount not to exceed \$662,880 consisting of \$217,511 from Water Revenue Fund No. 41502, Water Systems Construction Program, Annual Allocation for Water Main Replacements (CIP-73-083); \$23,798 from Sewer Revenue Fund No. 41506, Wastewater Systems Construction Program, Annual Allocation for Sewer Main Replacements (CIP-44-001); and \$421,571 from Sewer Revenue Fund No. 41506, Wastewater

Systems Construction Program, Annual Allocation for Pump Station Restorations, for the purpose of providing funds for the above project.

(Mission Beach Community Area. District-6.)

CITY MANAGER SUPPORTING INFORMATION: In conjunction with development of the project commonly known as "Belmont Park," Belmont Park Associates was required to make improvements to sewer and water facilities located in and around Belmont Park in the Mission Beach area. The improvements include replacement of 1,444 feet of 12-inch water pipe, 208 feet of 10-inch water pipe, and 501 feet of 8-inch sewer main and appurtenances (referred to as "Phase I Improvements"), and replacement of Sewer Pump Station No. 12 and appurtenances located near the Bonita Cove Parking lot (referred to as "Phase II Improvements") in the Mission Beach Area. The Phase I and Phase II Improvements are for the benefit of the City as a whole. The proposed agreement provides for reimbursement to the developer for the actual cost to design and construct these improvements.

* ITEM-118: (R-90-813) ADOPTED AS RESOLUTION R-274848

Authorizing the execution of a one-year lease agreement (with a one-year option to renew) with C.A.S. Galleria, dba Gaslamp Court, for approximately 360 square feet of office space, Suites 9A, 10A and 11A located at 739 Fifth Avenue, at a monthly rental of \$460; authorizing the expenditure of an amount not to exceed \$3,670 from Fund 70212 (\$1,835), Fund 70213 (\$1,101) and Fund 70209 (\$734), for lease costs from November 3, 1989 through June 30, 1990.

(Gaslamp Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: The Park & Recreation Department's Downtown Enhancement Program has been in the Gaslamp Building since June of 1987. Its lease agreement expired May 31, 1989 and was put on a month-to-month holdover by C.A.S. Galleria, the building owner. The department wishes to renew its agreement on the existing office space (240 square feet) and expand into an additional office (120 square feet). The additional space is needed because the Grounds Maintenance Manager and Grounds Maintenance Supervisor now share a small 10 foot by 12 foot office. This overcrowded condition has a detrimental impact on work coordination and overall program effectiveness. Both supervisors need separate office spaces in order to better deal with sensitive personnel matters, conduct staff meetings, coordinate daily work activities and hold conferences with downtown merchants and local vendors. The lease agreement would be for a term of one year with an option to extend for an additional year. Total yearly costs will be \$5,510 for 360 square feet of space. Rent for the option year will be negotiated at the end of the first year as per the agreement.

Tile Rehabilitation; waiving the application of Council Policy 300-07, Consultant Services Selection, to the Balboa Park - Plaza de Balboa Cascades and Tile Rehabilitation Project; authorizing the execution of an agreement with Delawie/Bretton/Wilkes Associates, AIA, for professional services required in connection with the Balboa Park - Plaza de Balboa Cascades and Tile Rehabilitation Project, together with any necessary modifications or amendments which do not increase the project scope or cost and which the City Manager shall deem necessary in order to carry out the purposes and intent of this project and agreement; authorizing the expenditure of an amount not to exceed \$12,545 from CIP-21-848.0, Balboa Park - Plaza de Balboa Cascades and Tile Rehabilitation, for the above project; authorizing the City Auditor and Comptroller to transfer unexpended funds, if any, to the appropriate reserves upon advice of the Park and Recreation Department.

(Balboa Park Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: The proposed agreement with Delawie Bretton Wilkes Associates, will provide the professional services required to prepare the plans and specifications for the Balboa Park Plaza de Balboa Cascades and Tile Rehabilitation project. The project will modify the water circulation system for the cascades located below the fountain. It will also replace the damaged tile on and adjacent to the Plaza. This consultant prepared the plans and specifications for the existing improvements and is uniquely qualified for this project. Therefore a waiver of Council Policy 300-07 is requested.

* ITEM-120: (R-90-851) TRAILED TO TUESDAY, DECEMBER 12, 1989, AT 2:00 P.M.

Authorizing the execution of a contract with Engicon Corporation, the lowest responsible bidder, for the construction of Sewer Pump Station No. 15, together with any necessary modifications or amendments which do not increase the project scope or cost and which the City Manager shall deem necessary to carry out the purposes and intent of the project and contract; authorizing the expenditure of an amount not to exceed \$335,730 from the Sewer Revenue Fund 41506, Sewer Systems Construction Program, CIP-46-106.0, Annual Allocation Sewer Pump Station Restorations, for the purpose of supplementing the amounts previously allocated for the above project.

(Pacific Beach Community Area. District-6.)

CITY MANAGER SUPPORTING INFORMATION: On November 8, 1989, three bids were opened for the construction of Sewer Pump Station No. 15. The lowest acceptable bid of \$998,000 was 43.6 percent over the engineer's estimate of \$695,000. Inherent in the high bids were the following additional construction and landscaping costs not reflected in the engineer's estimate: 1) Extensive architectural changes to the pump station structure, and additional landscaping for the area surrounding the pump station to mitigate the comments and concerns of the various reviewing committees after the engineer's estimate was submitted for Council approval; 2) replacement of the proposed diesel generators with natural gas generators for a more reliable secondary source of power; 3) stringent requirements associated with dewatering the construction site. Due to these factors, it is not anticipated that readvertisement will result in any savings to the City. Therefore, staff recommends that this project be awarded to the apparent low bid contractor, ENGICON Corporation, for the amount of \$998,000.

Authorizing the execution of an agreement with Pardee Construction Company for construction and reimbursement of sewer pipeline diversion facilities in Sabre Springs, together with any modifications or amendments which do not increase the project scope or cost and which the City Manager shall deem necessary in order to carry out the purposes and intent of this project and agreement; amending the Capital Improvements Program of Revenue Fund No. 41506 by adding the Sabre Springs Sewer Diversion Facilities Project, CIP-46-167.0, to the Wastewater Systems Construction Program (No. 70492); authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$100,000 within the Sewer Revenue Fund No. 41506, from the Unallocated Reserve No. 70697, to the Wastewater Systems Construction Program No. 70492, Sabre Springs Sewer Diversion Facilities, CIP-46-167.0; authorizing the expenditure of an amount not to exceed \$100,000 from Sewer Revenue Fund No. 41506, Wastewater Systems Construction Program No. 70492, Sabre Springs Diversion Facilities, CIP-46-167.0, for the purpose of providing funds for the above project; authorizing the City Manager, if circumstances warrant, to finance or refinance this project with tax exempt securities.

(Sabre Springs Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: The City desires to have a by-pass sewer line for future diversion of the existing Chicarita Creek Trunk Sewer to the proposed Poway Sewage Treatment and Reclamation Plant to reclaim additional sewage from San Diego. The by-pass line will be constructed in the planned Sabre Springs Parkway between Poway Road and the proposed Poway Reclamation Plant. Pardee Construction Company is responsible for the construction of Sabre Springs Parkway; therefore, it is to the City's benefit to have the by-pass sewer pipeline designed and constructed by Pardee before final paving of Sabre Springs Parkway. In return, the City will reimburse Pardee for the actual cost of the design and construction. The by-pass sewer line includes the installation of approximately 1,000 feet of 18-inch pipeline. The proposed agreement provides for the design, construction and reimbursement of said pipeline. Aud. Cert. 9000441.

Authorizing the execution of a first amendment to
Agreement for Partial Use and Occupancy of San Diego
Jack Murphy Stadium between the City of San Diego and
the San Diego National League Baseball, Inc. ("Club"),
to allow for a rent credit for the construction of the
Customer Service office at the Stadium, together with
any necessary modifications or amendments which do not
increase the project scope or cost and which the City
Manager shall deem necessary in order to carry out the
purposes and intent of this project and agreement.
(Mission Valley Community Area. District-5.)

19891211

CITY MANAGER SUPPORTING INFORMATION: Prior to and during
the 1989 baseball season, the San Diego Padres completed
major renovations, improvements, and additions to various
facilities at the Stadium including their ticket
offices, locker room, and batting cage. In addition, the
Padres have renovated an area located on the perimeter
office of the Stadium and created a Customer Service office.
The total cost of all these improvements was over \$1.3
million, which includes \$65,000 for the Customer Service
office. The Padres requested that they be given a rent
credit for the construction of the Customer Service office.
The granting of rent credits are a standard practice at the
stadium whenever a tenant constructs a permanent public
improvement. Since the Customer Service office would be a
permanent improvement that would be utilized by all tenants
and provide a better service level to the public, it was
agreed that the Padres would be reimbursed for \$60,000 in
construction costs. The \$60,000 rent credit will be
amortized over three years and deducted in equal annual
payments of \$20,000 from the rent payments due to the City.

It should be noted that the

Customer Service office has been successfully utilized by all Stadium tenants since April, 1989. The San Diego Stadium Authority Board of Governors at their September 7, 1989 meeting recommended approval of the rent credit.

* ITEM-124: (R-90-808) ADOPTED AS RESOLUTION R-274851

Authorizing the execution of a Second Amendment to the Agreement of September 28, 1987 with Stone Fisher and Associates, for professional services required in connection with Tecolote Park and Recreation Center Improvements; authorizing the expenditure of an amount not to exceed \$10,000 from PSD Fund No. 11410, CIP-29-616, Tecolote Park and Recreation Center Improvements, for the purpose of providing funds for the above project.

(Linda Vista Community Area. District-6.)

CITY MANAGER SUPPORTING INFORMATION: On September 9, 1987 the City Council authorized an agreement with Stone Fisher and Associates for the preparation of a General Development Plan for the undeveloped part of Tecolote Community Park. That plan has been prepared and was approved by the Park and Recreation Board and its committees in September of 1988. The agreement was then amended to provide the professional services needed to design a visitor center building, a comfort station, a small storage building and other park facilities.

During the design of the project, it was discovered that a water line shown on "as-built" drawings had not been constructed. It is now necessary to design and construct approximately 2,300 linear feet of off-site water main in order to provide adequate fire protection to the visitor center building. It is also necessary to upgrade the on-site drainage system to accommodate an 18th inch diameter storm drain which discharges onto the site. This proposed Second Amendment to Agreement increases the additional services portion of the agreement by \$10,000 to pay the cost of the off site water main, and the drainage system modifications.

* ITEM-125: (R-90-834) ADOPTED AS RESOLUTION R-274852

Authorizing the execution of a First Amendment to Contract with Ticketmaster of Southern California, for the provision of a Computerized Ticket Printing and Agency System for the Convention and Performing Arts Center, which amendment extends the contract term three years beyond the current final option year of January 1, 1990 through December 31, 1990.

CITY MANAGER SUPPORTING INFORMATION: This contract with Ticketmaster of Southern California provides a computerized ticket printing and agency system for the Convention and Performing Arts Center's box office operation. The current contract is in its fourth year and has provisions for one additional option year beginning January 1990. However at this time, CPAC has requirements for additional Ticketmaster system capabilities that are beyond the scope of the current contract. Such requirements include subscription/series ticketing, on line credit card authorization with electronic fund transfers, and computerized telephone charge line capabilities for the Center Box Office. Also, CPAC's ticketing volume necessitates additional computer hardware which under the current contract Ticketmaster would derive a monthly fee.

The proposed amendment provides the additional system capabilities as well as three times the current hardware. Additionally, this amendment establishes commissions paid to the City for Ticketmaster's outlet and telephone charge sales of CPAC tickets. In exchange for these contract enhancements, the amendment provides for increases in allowable ticket purchaser service charges and for a three year contract extension beyond the upcoming final option year.

Authorizing the expenditure of an amount not to exceed \$21,462 from Gas Tax Fund 32191, CIP-37-028, Annual Allocation, Undergrounding of City Utilities as payment to San Diego Gas and Electric Company, for the purchase and installation of three new street lights to replace existing pole mounted street lights in the Taylor Street (Pacific Highway to Presidio Drive) Underground Utility District.
(Old San Diego Community Area. District-2.)

CITY MANAGER SUPPORTING INFORMATION: As part of the City's Utility Undergrounding Program, existing pole-mounted street lights must be replaced with new street lights when the overhead utilities are removed. Since the City now owns all street lights, it is necessary for the City to pay this cost. SDG&E has estimated the cost of purchasing and installing new street

lights to be \$21,462 if installed by their contractor. The City has the option of purchasing and installing these street lights through a City contract. The City cost estimate for this project is \$23,190, which is more than SDG&E's cost estimate.

ITEM-S408: (O-90-109) HEARING APPROVED

First public hearing in the matter of:
Amending Ordinance No. O-17326 (New Series), as amended,
entitled "An Ordinance Adopting the Annual Budget for the
Fiscal Year 1989-90 and Appropriating the Necessary Money
to Operate the City of San Diego for said Fiscal Year" by
amending Document No. OO-17326-1, as amended and adopted
therein, by exempting one Principal Planner position from
the Classified Service; causing the personnel authorization
schedule of the Planning Department (065) to reflect the

Principal Planner Position as Unclassified; and
establishing a salary rate therefor.
(See the memorandums from the City Planning Director dated
9/25/89 and from the Personnel Director dated 9/29/89.)

CITY MANAGER SUPPORTING INFORMATION: This ordinance will
exempt one Principal Planner for the Maps and Special Permits
Section of the City Planning Department from the Classified
Service pursuant to City Charter Section 117 (17). This
Principal Planner position was approved by the Council as a part
of the Planning Department's Fiscal 1990 budget. The position
will have significant responsibilities for formulating and
administering departmental policies and programs related to the
Planned District Group, the Subdivision Group, and through
formulation of community plan implementing legislation. The
proposed exemption was reviewed by the Civil Service Commission
on October 5, 1989 and was found to meet the criteria of Charter
Section 117 for exemption from Classified Service.

NOTE: See Item S500 on the docket of Tuesday, December 12, 1989

Rejecting all bids received on July 10, 1989 for the Construction of the Alvarado Filtration Plant Training Facility. (BID-0826/89)

(Navajo Community Area. District-7.)

CITY MANAGER SUPPORTING INFORMATION: Bids were opened on August 30, 1989 for the construction of the Water Utilities Department Training Facility - Phase II. 133 bid packages were issued and 4 bids were received. The low bidder requested that its bid be withdrawn based upon a clerical error. The request was acknowledged by the Purchasing Agent, and the award of the contract was then directed to the second low bidder. The second low bidder was unable to attain the equal opportunity program goals of 20 percent for Minority Business Enterprises (MBE) and 7 percent for Women Business Enterprises (WBE). In addition, the second low bidder was unsuccessful in establishing a good-faith effort as defined by the Purchasing Agent. Therefore, this request to reject all bids is proposed. The existing building permit was issued on July 27, 1989, under the 1982 Uniform Building Code (UBC), and will expire on January 22, 1990, prior to the readvertisement. The plans and specifications will be modified to meet the newly adopted 1988

UBC. The Architect's Agreement will be amended at a later date to include the rework of the plans and specifications to meet the 1988 UBC requirements. This work will be done in a timely

manner to minimize delays in the construction of the Training Facility.

Authorizing the execution of an agreement with the State of California, for joint participation in a state highway improvement project consisting of a half-diamond interchange at I-805 and Nobel Drive, together with any necessary modifications or amendments which do not increase the project scope or cost and which the City Manager shall deem necessary in order to carry out the purposes and intent of the project and agreement; authorizing the

expenditure of an amount not to exceed \$580,000 from CIP-52-362.0, Nobel Drive and I-805 Interchange, Fund No. 79001, for the purposes of providing funds for the above project.

(University Community Area. Districts-1 and 5.)

CITY MANAGER SUPPORTING INFORMATION: This project is included in the Council approved Public Facilities Financing Plan and

Facilities Benefit Assessment for North University City and FY 1990 Capital Improvement Program. The project consists of the construction of a half-diamond interchange at Nobel Drive and I-805. This agreement between the City of San Diego and the State of California identifies areas of responsibilities and financial obligation for the preparation of construction documents. The City of San Diego will be responsible for preparation of Environmental Documents, detailed Plans, Specification and Estimates (PS&E) and secure all necessary permits. The State of California will prepare the Project Report, review, monitor and approve all studies and plans and provide all necessary implementation activities through advertising of the project. The construction of the project will be the subject of a separate future agreement. This project will be 100 percent funded by Facilities Benefit Assessment. This agreement provides for \$360,000 to be deposited with the State for costs incurred during the development of the Project Report and \$220,000 for State oversight of the Environmental Documents and PS&E. The State will return the \$220,000 if a construction contract is awarded within five years or five years plus extension from the execution of this agreement.

Subitem-A: (R-90-849) ADOPTED AS RESOLUTION R-274873

Subitem-B: (R-90-850) ADOPTED AS RESOLUTION R-274874

Certifying that the information contained in Environmental Negative Declaration DEP-88-1225 has been completed in compliance with the California Environmental Quality Act of 1970, as amended, and State guidelines, and has been reviewed and considered by the Council.

CITY MANAGER SUPPORTING INFORMATION: Last winter, the City of San Diego, the Helix Water District and the Sweetwater Authority entered into an agreement for a pilot project, to test the feasibility of cloud seeding in San Diego. This project was implemented in order to find a solution to partially alleviate the currently dry winter trend occurring in California. The

results of the pilot project appeared to be favorable; however, not enough winter storms occurred to fully evaluate the program on a long term basis.

It is recommended that the City of San Diego, the Helix Water District and the Sweetwater Authority jointly fund a continuation of the pilot cloud seeding program. It is felt that the program should raise the existing low water levels of the reservoirs located in the target area. Furthermore, this project will serve as a continuation of last year's pilot project and will allow us to gather important data relating to the project and its efficiency. All data and results will be very useful to determine if future cloud seeding projects should continue. The contract with Atmospherics, Inc., provides funding for the 1989-1990 program only, but allows for the City to continue the program, at its option, for up to four more years.

from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

Subitem-B: (O-90-110) HEARING APPROVED

First public hearing in the matter of:

Amending Ordinance O-17326 entitled "An Ordinance Adopting the Annual Budget for the Fiscal Year 1989-1990 and Appropriating the Necessary Money to Operate the City of San Diego for said Fiscal Year," by increasing the Capital Improvements Program by adding \$78,900 in CIP-22-031.2, Sail (Crescent) Bay - Development, Phase III.

NOTE: See Item S504 on the docket of Tuesday, December 12, 1989, for the introduction and adoption of the ordinance.

CITY MANAGER SUPPORTING INFORMATION: The initial bid opening for the construction of Sail Bay Development - Phase III, including a portion of the Mission Bay Sewage Interceptor System (MBSIS), was on September 6, 1989, and resulted in a single bid, 44.3 percent over the engineer's estimate. On October 13, 1989, City Council authorized bid rejection and project

readvertisement. Subsequently, 3 bids were opened on November 9, 1989. The apparent low bid was submitted by Citadel Construction, Inc. with \$1,296,000. This low bid is 16 percent over the project construction cost estimate of \$1,117,958. As this project was readvertised once already, it is doubtful that readvertisement would result in a lower bid and the project schedule would suffer. Project construction must begin soon in order to not delay the MBSIS which is required by Regional Water Quality Control Board Cease and Desist Order.
